

Government Flow-Down Requirements

52.211-15 Rated Order

This Contract is a “DO-A3 rated order” certified for national defense use, and SELLER shall follow all the requirements of the Defense Priorities and Allocation System Regulation (15 CFR Part 700). SELLER shall include the substance of this clause in all subcontracts SELLER places in support of this Contract.

NOTIFICATION OF INSPECTION OR TEST (NAVSEA) (OCT 2018)

SELLER agrees to notify BUYER, in writing, when the material will be inspected and/or tested. A minimum of five (5) calendar days is required to arrange such a visit.

EXCLUSION OF MERCURY (NAVSEA) (MAY 1998).

Mercury or mercury containing compounds shall not be intentionally added or come in direct contact with hardware or supplies furnished under this Contract.

ORGANIZATIONAL CONFLICT OF INTEREST (COI)

Supplier and its subcontractors, consultants, parent companies, subsidiaries, joint ventures, or other business affiliates at any tier may be excluded from performing under this Order if the Government’s Procuring Contracting Officer (PCO) determines that an Organizational Conflict of Interest (OCI) exists due to bias or unfair competitive advantage. Supplier shall flow down this provision in any subcontracts or other related instruments (at all tiers). Supplier shall monitor its activities and the activities of its subcontractors and related entities, and promptly disclose any actual or potential OCIs and any actions taken or proposed to negate or mitigate such conflicts.

APPLICABLE GOVERNMENT CONTRACT CLAUSES

The articles that follow contain government contract clauses that are flowed down from the prime contract. Government contract clauses not set forth in full text are incorporated by reference into this contract with the same force and effect as if stated in full text. The full text of a clause may be accessed electronically at this address: [Regulations | Acquisition.GOV](#)
