Duty-Free Entry Clauses in Purchase Orders

Dear Valued Supplier,

We are writing to inform you that certain Purchase Orders issued by Supreme Integrated Technology may include the DFARS clause 252.225-7013 – Duty-Free Entry, or FAR Clause 52.225-8 – Duty Free Entry, as applicable to contracts under the U.S. Department of Defense.

Under this clause, eligible supplies imported into the customs territory of the United States for use in fulfilling a government contract are entitled to duty-free entry. As such, any import duties, customs fees, or related costs associated with these supplies must not be passed on to Supreme Integrated Technology, Inc.

Please ensure the following:

- If a Purchase Order includes DFARS 252.225-7013, or FAR Clause 52.225-8 – Duty Free Entry, you must not include import duties or customs-related charges in your invoice or pricing.
- All shipments must be properly documented to support duty-free entry, including any required customs forms or certificates.
- If you subcontract any portion of the work, this clause must be flowed down to applicable subcontractors.

If you have any questions regarding the clause or its implementation, please contact Jack Hano at jackh@sitech-us.com.

Thank you for your attention to this matter and for your continued partnership.

Sincerely,

Dona Sunseri
